Communities renewed through the love of Jesus.

One church, three congregations

CrossPoint is one church with three congregations. We seek unity in our diversity as we share our God-given resources for the Kingdom. On Sundays, our Chinese congregation worships in Mandarin, our Korean congregation worships in Korean and English, and our main service worships in English. As brothers and sisters in Christ, we strive to love one another well as we partner in sharing the gospel with our community and beyond.
