OUR STORY

Established in 2005, Mizpah Ministries is a charitable organization dedicated to improving the lives of widows and orphans in Kenya. When a husband dies in Kenya, it is not uncommon for a widow to be chased from her home; widows are often left to fend for themselves with their children. Through Mizpah, widows and their families become a part of a fellowship group where they find support and community. As a group, the women decide who has the greatest need for the resources that become available. Mizpah has been able to impact over 4000 widows and their children in 7 counties through initiatives that include building homes, chicken coops, providing groceries, water tanks, and educational opportunities. Mizpah founder Pastor Jane Wanjiku returns to Kenya twice a year to minister to widows and work with her teams to build homes and give resources and encouragement.
