Threads of Hope

providing new clothes to
homeless children

Suppose a brother or sister is
without clothes and daily food.

If one of you says to him,
“Go, I wish you well; keep
warm and well fed, but does
nothing about his physical
needs, what good is it?”

James 2:15-16

Will You Care?

Do you know that there are hundreds of children in Chino who are homeless? Because you don't see them on the streets of downtown Chino, you may think that our community doesn't have a homeless problem.

But, they are here. Their families live in garages, motels, trailers, homeless shelters, and even their cars.

They attend our Chino Valley Schools, and most of them lack the basic necessities that most of us take for granted.

Several churches* in Chino, and Chino Hills have come together to meet the needs of these kids and have formed a "Threads of Hope" outreach. Their goal is to provide new clothes to these children so that they feel proud to go to school.

Won't you please register to shop for the needs of a homeless child? You will be contacted with the child's needs—items of clothing and sizes. You may choose to purchase some or all of the child's requests. Or, if the time is not right for you, simply pass.

In addition to our Partners, Threads of Hope needs Back-up Shoppers, who would be asked to shop when we have more children with needs than we have Partners. If funds are available, a Back-up Shopper would be asked to shop for a child, submit receipts, and receive reimbursement the following week.

Please look into your heart and respond with as much help as you can.
