STORIES OF FAITH IN THE OLD TESTAMENT

OCTOBER 15, 2023 | 9:30 AM WORSHIP

CARRYING ON THE VISION

In 2005, CrossPoint members paved the way for our ministries today through building our current space, with plenty of room to grow. As God continues to bless us with new families from our community, how will we invest in the next generation to be equipped for ministry?

Join us to explore what might be next for the CrossPoint campus as we carry on the vision of communities renewed through the love of Jesus.

Join us today at 11 am. Childcare available for ages 0-5.

MISSION FOCUS SUNDAY | HARVEST INDIA

229 million people in India live in poverty, most of them in remote villages, where they are invisible to the world. Harvest India responds to the greatest needs through medical programs, disaster relief, homes for children and the elderly, and by building water wells.

In January, six CrossPoint team members will travel and partner with Harvest India for ministry in remote villages and to explore future partnership opportunities.

Help us break the the cycle of poverty by contributing to a water well that will give access to clean water for 500 families and restore dignity to an entire community. Give today at the India mission table after the service or anytime through the offering or online with gifts designated for India Mission well. Thank you for your generosity and please pray for our team!
